CAMPUS PLACEMENT DRIVE **CONDUCTED AT DR. MANMOHAN** **SINGH BENGALURU CITY UNIVERSITY**

The Department of Training and Placements, Dr. Manmohan Singh Bengaluru City University (Dr. MS BCU), successfully organized a Campus Placement Drive on **10th July 2026** at the University's campus. The placement drive witnessed enthusiastic participation from students across various disciplines who were eager to explore promising career opportunities.

The event provided students with an excellent platform to interact with industry professionals and demonstrate their knowledge, technical skills and communication abilities through the company's selection process. The recruitment process included screening and personal interviews for Company **GROW MINT** and **COROMANDEL INTERNATIONAL LIMITED**

The event was conducted under the guidance of **Hon'ble Vice-Chancellor Prof. Ramesh B** and **Shri Naveen Joseph A, Registrar (Administration)**. Event was led by **Prof. Ritika Sinha, Director, Placement Cell, Dr. Medha Itagi, Director, Skill Development, Dr. Nabi, Placements In-charge, and Mr. Harsha, Training and Placement Officer (TPO)**, who motivated and encouraged the students to make the best use of the career opportunities offered through the campus placement drive.

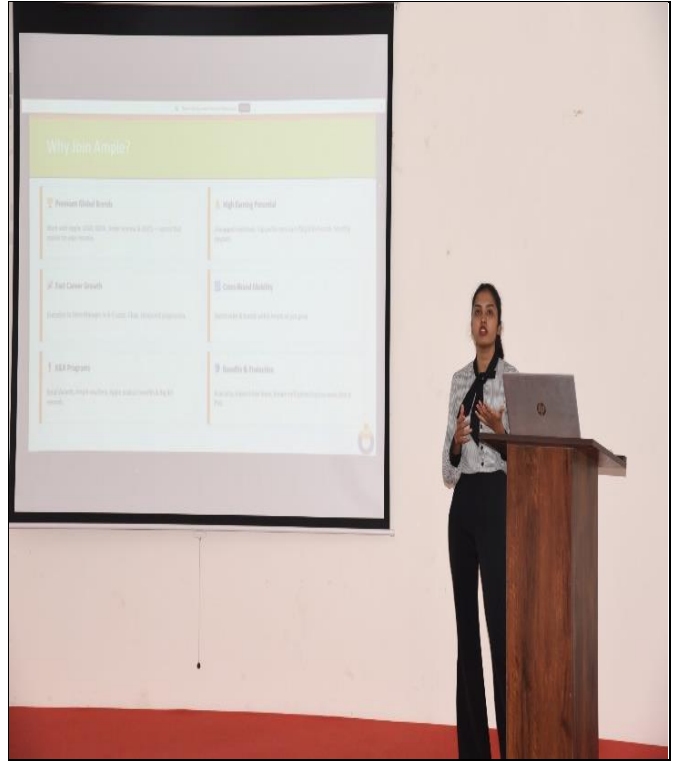

The event was graced by the presence of **Mr. Mahesh, Founder and CEO, Growmint Global; Mr. Vivek Sagar, HR Manager, Growmint Global; Mr. Siddharthan Muthura, HR Specialist; and Mr. Sri Mugunthan, HR Manager**, who interacted with the students and actively participated in the recruitment process.

All the BCU and Affiliated colleges eligible students participated in the drive, reflecting the University's continued commitment to enhancing students' employability and strengthening industry-academia collaboration.

The event commenced with an introduction to the students regarding the participating companies, providing students with an overview of the recruitment drive. Following the introduction, representatives from both companies delivered detailed presentations highlighting their company profiles, organizational culture, and career opportunities. They also explained their expectations from prospective candidates, the job roles for which recruitment was being conducted, the selection process, compensation and benefits offered to selected candidates, career growth prospects, and other important aspects of employment. The interactive presentations enabled students to gain valuable insights into the organizations and better understand the opportunities available to them.

The placement drive concluded successfully, with **20 candidates being shortlisted** for the next stage of the recruitment process for the company **Grow Mint**. Their achievement is a testament to their dedication, preparation, and the continuous guidance provided by the University's Department of Training and Placement Cell.

Dr. Manmohan Singh Bengaluru City University remains committed to creating meaningful employment opportunities for its students by collaborating with leading organizations and conducting regular campus recruitment drives that bridge the gap between academia and industry.

The Department of Training and Placement Cell, Dr. Manmohan Singh Bengaluru City University, encourages all eligible students to actively participate in the upcoming campus placement drives and make the best use of the career opportunities provided by the University. We extend our heartfelt best wishes to all students for their future endeavors and wish them every success in securing rewarding career opportunities.

The University congratulates all the shortlisted candidates and wishes them continued success in the upcoming stages of the selection process.
