### Preamble

Sanskrit language has a rich heritage of knowledge-systems and educational values. It stood the test of time for millenniums and has given precious wealth of knowledge to society at large. The Sanskrit language is very scientific which is considered as best suitable language for computers which shows it is friendly even in today's computer technology era. It is an earnest need-of-the-hour to disseminate the knowledge of Sanskrit learning to one and all in a systematic and enriching manner.

As per the directions of Government of Karnataka in accordance with SEP (State Education Policy-2024), Languages will be studied in two years of graduate studies spreading across 4 semesters. New focus areas are identified and curriculum has been framed according to it. For language Sanskrit specific texts are finalized and approved by BoS (UG). The BoS committee with the intension of the following objectives and student outcome has prepared the syllabus for first two semesters.

#### Course objectives:

1. To introduce our classical literature which makes students aware of our culture, heritage, values & ethics along with language learning.
2. To appreciate and understand the beauty of a classical literary work.
3. To introduce different types of Sanskrit literature especially prose and poetry in first two semesters.
4. To improve writing skills in Sanskrit.
5. To cultivate human values in the students.
6. To meet all the needs of the students and to intellectually stimulate the students to acquire more knowledge in IKS.

**Course Outcomes:** At the end of the first two semesters students should be able to,

1. Understand and appreciate classical Sanskrit prose and poetry.
2. Know the relevance and greatness of Sanskrit poetry and prose works
3. Develop their vocabulary, sentence formation, language skills, speaking skills, writing skills both in descriptive and concise ways and reading skills.
4. Learn translation and explanation method of both prose and poetry.

5. Appreciate and inclined towards Indian knowledge system.
6. Acquire knowledge about Indian culture, human values and ethics.
